About 2Checkout

2Checkout (now Verifone) is the leading all-in-one monetization platform for global businesses built to help clients drive sales growth across channels and increase market share by simplifying the complexities of modern commerce. 2Checkout's digital services, including global payments, subscription billing, merchandising, taxes, compliance and risk, help clients stay focused on innovating their products while delivering exceptional customer experiences. In August 2020, leading global payments solution provider Verifone acquired 2Checkout, further solidifying its commitment to providing seamless and frictionless experiences to customers globally through innovative and next-generation hardware and cloud services. 2Checkout will become Verifone, and the unified company will enable omnichannel payment acceptance wherever and whenever clients shop.
